Finger Buffets - County Selection

The County Selection is a new addition to our menus. It contains a mix of our delicious regular sandwiches and some old favourite finger food items.

£4.95 PER PERSON. Menu Code – County 2006 / 01

Sandwiches

Unless you request specific choices from the current fillings we will make up an appropriate selection of regular sandwiches from the current seasonal 'filling lists' to complement your finger food choices.

Choosing your Finger Food

By choosing from our County Selection, you will receive at least 4 pieces of finger food for each person. So, for example, if you have 10 people coming to lunch that means you will receive a minimum of 40 individual finger food items for your guests.

* N.B. In a few instances where your selection is for smaller lower value finger food you will receive an appropriate number of extra items

As a guide we would suggest you make 2 item choices per every 10 people. The current seasonal choices are shown below:

Meat, Poultry, Fish and Seafood Finger Food Options
